Mr Peter Troughton  
Chair of Council  
The University of Bath  
BATH  
BA2 7AY

Dear Mr Troughton

As an ex official member of the University Court, I write in response to representation made to me by the University and College Union at the University on the Vice Chancellor's rather eye-watering remuneration.

In the terms expressed, I find myself in agreement with UCU and hope you will endorse my view that moderation and restraint in the current economic circumstances are qualities to be exercised by leaders in the public domain as much as in maligned sectors like banking, business and politics.

Yours sincerely
