31st October 2013

Dear Ms Morley,

Thank you for your joint letter of 26th October on behalf of UCU, UNISON and UNITE to The Earl of Wessex, as Chancellor of the University, regarding the recommendation of the University's Remuneration Committee. As I think you are aware, this is not an area where the Chancellor has any role, and it is certainly not a matter where a Member of the Royal Family is able to have a view. I have therefore passed your letter to the Vice Chancellor for any action she may think necessary.

His Royal Highness was grateful to receive your letter and looks forward to his time as Chancellor of such a great and highly regarded university.

Yours sincerely,
John Smedley
